CMP BEY V. AMAZON DTW ET AL (NA)

v.

Amazon DTW1/ Jeff Bezos/Shawn Westlund/Sonya Fudge

Respondents / Defendants

Jurisdiction

This action containing complaints for declaratory relief and damages, is brought against the defendants to secure due process of law, equal protection and other rights, privileges and immunities guaranteed to complainant by the Constitution / Treaty and laws of these United States Republic.

Jurisdiction of this court is invoked under The Zodiac Constitution ©AA222141 / Library of Congress, Washington, District of Columbia, Constitution / Treaty and laws of the United States Republic as follows:

The U.S. Department of Justice, Office on Violence Against Women (OVW) defines sexual assault as "any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks the capacity to consent" (U.S. DOJ, OVW 2018). While sexual assault is a criminal offense, the law also recognizes sexual harassment as a form of employment discrimination. The U.S. Equal Employment Opportunities Commission (EEOC) states that "unwelcome sexual advances, request for sexual favors, and other verbal or physical harassment of a sexual nature constitutes sexual harassment when this conduct explicitly or implicitly affects an individual's employment, unreasonably interferes with an individual's work performance, or creates an intimidating, hostile, or offensive work environment" (U.S. EEOC 2018a). Such harassment may include unwelcome verbal, visual, nonverbal, or physical conduct that is of a sexual nature or based on someone's sex. Case law has established that to meet the legal standards for action, workplace harassment must be "severe or pervasive" and affect working conditions (U.S. EEOC 2018b).

Sexual harassment constitutes illegal sex discrimination under Title VII of the Civil Rights Act of 1964, which is enforced by the EEOC;

Title VII of the Civil Rights Act of 1964 is a federal law that prohibits employers from discriminating against employees on the basis of sex, race, color, national origin and religion. It generally applies to employers with 15 or more employees, including federal, state and local governments.

AMAZON DTW1/Jeff Bezos

Facts

In support of this petition I state for the record:

1. On **February 26, 2019**, Adore Bey reported to ethics the behavior of multiple AMAZON DTW1 employees located at 32801 Ecorse Road, Romulus, Michigan, 48174.
2. In this report Kaylee Milnee, and Nicole Miller were named for unfair work practices, and violating the privacy of employees.
3. Kaylee Milnee displayed unlawful work practices by logging into a stower account under the login (ntherr) on **February 21, 2019** around 3:00pm est. Kaylee Milnee worked under this login at the same time as the employee was logged in to the station right next to her.
4. Kaylee Milnee consistently helped her best workers, as she allowed her other employees to struggle as products were being taken away from them. She continuously wrote those that struggled up for rates, productivity, and quality.
5. On **February 21, 2019**, two employees attempted to stow 5,000 products. Both stowers skipped their two o'clock break, thus giving them a total of six hours of stowing with no food, and barely using the restroom or hydrating.
6. On **February 22, 2019**, Adore Bey went to HR (Human Resources) to report her Manager Kaylee Milnee for unsafe and unfair work practices.
7. Adore Bey spoke with Nicole Miller in front of 3 unidentified HR witnesses about Kaylee Milnee.
8. In the midst of a conversation between Adore Bey and Nicole Miller, Kaylee walked in, and Nicole got up and pushed her back out of the room. Nicole never returned, leaving another HR Representative to finish up with Adore Bey.
9. **February 23, 2019**, Nicole Miller aggressively questioned Lige Bostic as he inquired about the number to ethics.

10. On **February 26, 2019**, Adore Bey reported sexual harassment and unfair treatment from water spiders to ethics. (See Exhibit 1)
11. On **March 27, 2019**, Adore Bey reported the names of three employees all being water spiders, to investigate for sexual harassment Timothy Mitchell, Antuan, & Matthew.
12. Timothy Mitchell stated that women will do anything for product, he consistently catered to certain women while removing product from other hard working employees.
13. Antuan consistently made comments about the sexual preference of Adore Bey, as well as grabbing her to engage in hugs, while saying sexual things as in he was giving her good product because she was wearing leggings.
14. On a daily basis Antuan expressed to Adore Bey that he wishes she wasn't interested in women, repeatedly expressing his feelings towards her sexuality.
15. Matthew favored one woman in particular and would only cater to her, he also engaged in the removal of other employees work.
16. An unidentified cleaner asked Adore Bey on the elevator at 7am if she was busting down last night, relating to sexual activity.
17. On **March 27, 2019**, Adore Bey had constant anxiety attacks and decided to take a leave while the case was being handled.
18. When Adore Bey returned **April 11, 2019**, Antuan reported to Adore Bey that Linda had reported Timothy, Matthew, and himself. Everyone denied the accusations.
19. From **April 11- May 4, 2019** Adore Bey went on many occasions to see what was being done about the case. Continuously ensured that something would be done.
20. **May 4- June 5, 2019** Adore Bey was on a leave from Amazon. Upon returning on May 4th Adore Bey again inquired with HR about the status, finding out that nothing had been done.
21. On **June 14, 2019**, Adore Bey again inquired about the sexual harassment case with Nicole Miller. Nicole Miller advised Adore Bey to rewrite all facts in the case once again. She then informed her that the case had switched from herself, to Brandon Wisdom, to Bryan (Head of HR), and back to Brandon.
22. Bryan spoke with Adore Bey and insisted that the situation would be handled that day.
23. Bryan and Brandon continuously promised remedy for the anxiety attacks that Adore Bey experienced after months of constantly working around her sexual harassers.
24. Adore Bey managers Dominique Moore and Troy Lanez, moved her away from those listed on multiple occasions after the men complained about Adore Bey working near them.
25. Brandon informed Adore Bey that because it had been months, and they failed to properly investigate the case, they wouldn't be able to move forward in the case. Brandon Wisdom went on to say that it was because of a lack of staff, and lack of communication as well as being overworked.
26. On **June 14, 2019**, Adore Bey named Linda for communicating to everyone that Adore Bey is the one that reported everyone.
27. On **June 14, 2019**, Adore Bey named Linda as a possible witness of the behavior of the water spiders.
28. On **June 14, 2019**, Adore Bey expressed her discomfort with the fact that Linda who told everyone about her case came in with a gun.
29. No one ever updated Adore Bey on if they spoke with Linda or if she'd be considered a witness.
30. On **June 14, 2019**, Adore Bey expressed how she'd been coming in with constant anxiety because the case dragged on for so long.

31. On **June 19, 2019**, Adore Bey called ethics for the second time to report this case and to inform them that nothing had previously been done.
32. On **June 25, 2019**, After receiving no solution to the case, Adore Bey wrote on the employees VOA Board that Amazon has failed humanity and women. Adore Bey also mentioned that if she had any further problems she'd take legal action.
33. After reporting to ethics, Adore Bey spoke with Bryan and Brandon again about the case.
34. Between the last conversations nothing had yet to be done.
35. Brandon again admitted that the case had been pushed off for so long due to lack of HR staffing, as well as the case being passed off so many times.
36. When it came down to finding a solution for this case, everyone that Adore Bey spoke to failed to do anything, continuously claiming to have no other witnesses. No one in this case received disciplinary action.
37. Troy Lanez & Dominique Moore continuously acted ignorant to the case, claiming to have been unaware of it for months.
38. Adore Bey explained to Bryan head of Human Resources and Shawn Westlund General Manager of Amazon that she'd been sexually harassed on a daily basis and missing work because of anxiety and the case being prolonged. Shawn Westlund first insisted that Adore Bey work through the anxiety, then stated that she could move to another department to avoid being around the men.
39. Adore Bey explained to Shawn Westlund that moving her wasn't going to solve the issue at hand and that she still felt uncomfortable and unprotected within the entire case..
40. Timothy Mitchell continued to deny claims and take part in reputation demolition against Adore Bey.
41. Adore Bey reported feeling harrassed by manager Travis Tracey and requested removal from his team due to the anxiety he causes her. Removal was granted up until **July 26-27, 2019**.
42. On **July 27, 2019** Travis Tracey was sent by Sonya Fudge along with Michael Sheppard to assist him in delivering a write up to Adore Bey for productivity and quality because Adore Bey new manager was sick that day.
43. On **July 27, 2019** Sonya Fudge insisted that because Adore Bey had so many problems with multiple people that she was the problem after encouraging her to take legal action in a prior conversation.
44. Sonya Fudge followed Adore Bey into HR blurting out to the representatives "I have already talked with her about her issues."

Legal Claims

The U.S. Department of Justice, Office on Violence Against Women (OVW) defines sexual assault as "any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks the capacity to consent" (U.S. DOJ, OVW 2018). Such harassment may include unwelcome verbal, visual, nonverbal, or physical conduct that is of a sexual nature or based on someone's sex. Case law has established that to meet the legal standards for action, workplace harassment must be "severe or pervasive" and affect working conditions (U.S. EEOC 2018b).
